Need help? Attend a [Partner Registration Workshop](#) or email Florida@uniteus.com to get connected with your local community engagement manager.

2 Attend a training.

- Visit the [Florida Events Page](#) to register for a user orientation.
- Create an account in [Unite Us Learn](#) to access self-paced training and for additional live online training options for users.

3 Activate your user accounts.

Your team will receive emails from hello@uniteus.io inviting them to activate their Unite Us accounts. Check your junk/spam!

*Your activation link will expire after 7 days. If you need a new link, please reach out to our support team by clicking the chat bubble in the lower righthand corner of the Unite Us login page.

4 Send your first [referral](#)!

Review the My Network tab in the platform to see other organizations that are ready to receive your referrals. Once you are familiar with the network, you can begin to securely connect your clients to the services they need.
